

CASARRA'S KEY CLUB CHRONICLE

Editors Note:

Sorry it's been so long since my last newsletter. It's been a very busy this past month with all the senior events. I know the other seniors in the club can back me up on that, with all the college applications, fundraising, etc. Well anyways I was just thinking about how fast this year's gone by, and how soon Convention will be here. I really hope we start doing a lot of stuff, so that we can win some more of those awesome trophies, that can go in the new Key Club trophie case that I hope will be up soon!

~ Casarra Hall

An update of our club:

The past few weeks have been eventful. We helped at Halloween with Trick or Treating for Unicef where we raised well over \$300.00. We also helped our Kiwanis with the Halloween party, even though it was a smaller outcome than in the past all the children seemed to have loads of fun!! A few of us even made bean bags for some of the Halloween games. We also decided to try and make a builder's club in both West Stewartstown and at Colebrook Elementary. Builder's Club is the Jr. High version of Key Club.

Three of us attended the last TAG meeting. This is a group that trys to advocate non-smoking throughout the community. We decided to hand out pamphlets during Mid-Night Madness. Our next meeting won't be until January, and anyone is welcome to join us. That same day Desiree and I brought two boxes of KeyClubby Bears to the Emergency room at the Hospital for them to hand out when needed. They seemed very grateful. We also got great news from Kim Freedman (the TAG leader), she told us she bought us the Rollie Robin program with a grant she received. That helps us a lot, and makes it so we can help the builders club when they are formed. We've done a lot these past months, let's keep it up!! We also have fantastic ideas started for the scrap-book..., that's right it's that time of the year again. Let's not be up till midnight the night before convention... The good ole days!!

Colebrook Academy Key Club

November

"Caring—Our Way of Life"

Board

**President: Desiree B.
Vice President: Sarah F.
