Breast Cancer Walk Speaker

This week's speaker is Erica Finn. Erica is a former Colebrook Academy Key Club member and is currently employed at UCVH.

Erica is entering the Avon Walk for Breast Cancer in Boston on May 15th & 16th. The walk is a 39 mile walk divided into a two-day event. The event begins with an opening ceremony Saturday at 6:30AM and Erica will walk 26.5 miles that day. The following day, Erica will complete the remaining 12.5 miles and attend the closing ceremony scheduled for 3:00PM.

When Erica arrived at Tuesday's meeting, she was still \$300 short of her \$1,800 minimum donation requirement. Before she left that morning, she was within \$5 of her goal. CA Key Club Advisor Lindy F. reported that the members of Key Club also made a donation to the Breast Cancer Walk. What an incredible achievement from one of Colebrook Key Club's alumni.

Colebrook Kiwanis Inducts Scott Nugent

New member Scott Nugent was inducted during Tuesday's meeting. Member EH R sponsored our new member. Scott was raised in Colebrook and graduated from Colebrook Academy. While at the CA he was a member of the Key Club and held the office of President and was Lt. Governor for District 8.

Scott recently moved back to Colebrook and works as an Underwater Welder and Diver. What a great addition to our club.

Scott is the eighth new member this year!!.

Welcome to Kiwanis
Scott!

Colebrook's Bell and

Gavel Taken-Again!

A trio of mischievous CA Key Club members kidnapped the Club's bell and gavel. Both the bell and gavel had only recently been returned a short while ago. The gavel was with the St. Johnsbury club and the CA Key Club had ransomed the bell back to us.

After a valiant effort, Nick J. managed to retrieve the gavel. Past President John Fa then asked if he had gotten the gavel back before or after the thieves had gotten out the door. Nick answered that he had gotten the gavel after they had left the building. John informed Nick that the gavel must then be given back to the Key Club. Further updates will be passed along as they occur.

Nice Try Nick! → →
