**Interclubs:** Sonja mentioned that we should go to St. J and Berlin to get our early birds in. Next Monday plan to meet at 4:30 at Roland's store to go to St. J.

**Happy Dollars:** Laraine (1) for the house is ready for residents; Tom (1) he is happy to be back from his mom's funeral but it was nice to see so many family members he hasn't seen in a while; John H (2) because Table 1 has guests from Berlin and he got a partridge and ate it for dinner; Jess (1) for finally turning 16; P Dayna (1) because he was glad to have a crew to come this morning and will be visiting again!; P Wayne (1) because it is always great to see the Berlin club here; Bob (1) for Judy as he is taking her spot in No. Conway this weekend at District Training; Renee (1) for a hugely, successful Craft Fair; Sarah (1) for no one fining her for being late (there was a log truck in the road and she couldn't get by it).

**Fines:** Tom fined Wayne for not remembering to introduce guests as he went right into Key Club reports after the songs. John H fined John Nick because he didn't pick up Wayne's fine. Joe fined Table 2 because no one from Berlin is at their table. John Fal defended that Table 2 had to pick up the overflow from Table 1 and ended up with Donald—and with Donald at the table it is hard to get a guest to sit with them. Donald recommended that Table 2 be fined. Then John Fal fined Table 4 for having no Berlin guests at their table. Gaetane defended they do have a guest—Louise McCleery. That motion failed. Dick fined John Nick for not taking Table 2's fine. Don fined Brad for being a screw up in not remembering they had to do something. Brad defended by saying that Donald had a lot of nerve since he wasn't going to be helping out in the first place. That fine didn't pass. Sarah fined John H for a misprint in the paper reporting a 730 lbs. button buck was shot on opening day—should have been 70 lbs. John H defended that they grow them real big up on South Hill. That one didn't pass either.

**Club News:** This morning we inducted our newest member Louise McCleery into the club. We welcome Louise and are thrilled she has joined. Louise is the new CEO at UCVH. She comes with 18 years of health care experience, in both the hospital and corporate environment as she has worked at Blue Cross/Blue Shield. You can find her either at work or running and riding her bicycle around Colebrook. She is originally from Farmington, ME. She has a successful business in her new role at UCVH and as a new Kiwanian.

Berlin President Dayna gave a report from his club. He said that the investigation of the bocce situation is continuing. The Captain of the Wizards (losing team) has contacted the International Bocce Association. Because they have no conclusive evidence needed to file charges, the IBA has dropped the matter. PE Dennis said they have turned over all evidence needed to file charges to the FBI and are just waiting for their investigators to visit. Rumor is that the EPA is coming. They have contacted Berlin and want to do some introductory interviews. Berlin promised to keep Colebrook Captain Roland informed of any developments.

Champ t-shirts to Berlin as soon as they are available and said that they have promised to keep

Pres Wayne presented the Berlin club with the long overdue 2006 Bocce Champ plaque. It was brought up that the Champ plaque is missing and would be given as soon as it surfaces. It was rumored that St. J might have stolen it. Lindy spoke her husband, member John Fal, is and they can get it engraved. Lindy jumped in and suggested we give it to them as themselves! Roland tried to second Brad's suggestion but Lindy jumped in and left it on the shelf to begin with. That fine passed! Our club will get the plaque engraved and give to Berlin - hopefully before the next tournament in February.

has had it since February and it is sitting on a shelf. Brad suggested we give it to them as themselves! Roland tried to second Brad's suggestion but Lindy jumped in and left it on the shelf to begin with. That fine passed! Our club will get the plaque engraved and give to Berlin - hopefully before the next tournament in February.

Pres Wayne called for a short board meeting immediately following the meeting this morning.

Pres Wayne reminded everyone about our guest speaker next week—Judge Michalik. He said that it was important to remember for those members who may have outstanding warrants.

Carolyn mentioned that the Kiwanis monthly column (for November) will be in the News & Sentinel tomorrow—be on the lookout.

**Current Club Projects:** John Fal reported that the Super Bowl Grid project is underway however the profits will be \$.25 less since he was fined this morning. Ticket are being printed and will be distributed at next week's meeting. Remember—if every member sells 4 at \$25 each we can sell two boards! Support our January fundraiser.

Donald reported on the Mitten Tree—Mike G. gave us a tree and it will be put up at Colebrook Floor Care around the 26th or 27th of this month. Their windows are all fixed up for it.

Pres Wayne mentioned we need a chair for the Tree of Love project. Donald came forward and said that he would co-chair. He said David has painted a new sign for it and has done a beautiful job. He also spoke to Marie Smith at the bank who is going to type up the tags and take the money. Rosie may still help—Marie is going to speak with her. Donald is going to ask David to co-chair—they will put up the sign and decorate the tree.

Judy, Chair, reported that Santa is coming to town on Sunday December 3rd. The Colebrook Key Club will help stuff stockings and she will be asking members to help with the event. The party will be from 1—3 pm. She has bought 200 stockings this year (last year was 175).

Donald, Co-chair, reported on the Coos County Nursing Home Christmas party. He spoke with Michelle Hyde and it will either be on Monday, December 18 or Tuesday, December 19. Date to be decided shortly.

John Nick reported for Mary, Chair, that the Winter Carnival will indeed be held again this winter—February 10th and that she has e-mailed all the past participants and is lining up the venue (dog sled rides, etc.) Carolyn reported that Snow Bocce is alive and well and that she is sending out info to New England District, local clubs, and will start advertising the event for maximum participation.
