Sunshine on 10/14. They were member and volunteer on their Halloween party; they have house in Canaan already; the

Builders Clubs: Canaan : Yesterday was the first day in their new jobs as Crossing Guards. Every member who volunteered showed up at 7:45 a.m. and did a wonderful job. They had 4 different stops in town. Other students were so impressed they asked about joining the Builder's Club.

Errol: Sharon reported that the Builder's Club has not been able to meet on a regular basis because of testing at the school. They are planning on their first trip to the Berlin County Home on Thursday, October 19th. They have a new soldier they are writing and sending packages to which make it four so far this year.

Interclubs: Roland reported 6 members went to Berlin last Tuesday for the closing ceremony of Camp Sawyer. Pres Wayne, Sonja (Charlie), Roland (Lorraine), Sharon (Larry), Beth, and PE Judy. The 2 1/2 hour show was pure laughs and entertainment and all had a great time. Emcee PP Paul For volunteered to do a "show" for us in the future if we wish.

Happy Dollars: Beth (\$5) for being named Managing Broker of her office;

gets a discount at Dunkin Donuts now; John H (\$5) just to for No. Country Wolfpack won last Sunday 28-0; Roland learned to move away from Table 1 early on and is going to ber; Kim for a great trip through the corn maze in VT

Sandra because she be vertical; Mary because Jim L. has be a great mem- where she saw

Renee and her family. Apparently Renee couldn't find her way out either. Kim was happy about that; Brad \$1 happy/\$1 not so happy—had a great trip but brought Donald back with him; Pres Wayne because he and PE Judy are going away for a few days and won't be here next Tuesday. There will be no details given. If PE Judy wishes to elaborate it will cost her a \$1. PE Judy only clarified that she will not be here. (Only the Editor knows!)

Fines: Table 1 fined for delay of games (meeting); Tom fined Donald for addressing him incorrectly as Asst. Sec.; Key Clubber Megan fined Pres Wayne for not including the Canaan Key Club or CA Key Club's Haunted House on the monthly event calendar.

Club News: The first order of business was Pres Wayne attending to his car alarm going off out on the street. We thought maybe St. J had snuck into town and was trying to steal it but IPP Fred and Pres Gary were nowhere around. Wayne thanked prospective member Lorraine Day who has stepped up to the plate already and is volunteering to help with the Halloween Party and working with the Key Club. Roland reported that apparently some activity that occurred at the Bocce Tourney at Camp Sawyer last August may be questionable.

Berlin's losing team is under the assumption the winning team did something unprofessional. They allegedly poisoned the court with weed killer— and the material used was extremely toxic. Apparently the antidote the winning team used was disguised in Budweiser cans. Roland said this could be the reason we haven't won in five years. We used to win and now a long dry spell? Roland is willing to contact the necessary people to open up a new investigation as this may have been going on a long time. Pres Wayne requested Roland and his CSI Team to get started. More on this later for sure!

Dues are due—\$45 for half year; \$90 for full year.

The Washington, DC trip for students is being organized. It will be May 15—17, 2007

Pres Wayne thanked Bob for getting 3 walkers and 2 sets of crutches from Echo Valley for our loaner program.

Current Club Projects/Events: October 21 & 22—Grass Drags Food Booth. Due to health reasons John Fal will not be working his usual 12 hour day shifts at the food booth this weekend - he will need help from us to cover.

She called for a meeting of the volunteers immediately following today's meeting.
