Club News and Current Club Projects: Judy announced that Beth has resigned from the club and we will need a new chair or two for the County Nursing Home X-Mas Party to be held on 12/11. John Nick volunteered to purchase the gifts. He asked if someone would contact the nursing home to get the list of resident's wishes and for someone to actually be at the event since he can't. Donald volunteered to help John Nick. Thank you John Nick and Donald!

John Fal spoke about the Super Bowl (football) grid. It was suggested that we start now to possibly sell two boards since it is such a great fundraiser. Motion was passed to hold this as a fundraiser and to start asap. If every member sells or purchases four squares we will fill two boards. Squares will be \$25 each and make great Christmas stocking stuffer presents.

Clay spoke for Mary about the Winter Carnival. There are two dates available—Feb 3rd or 10th. Motion was passed to hold it on February 10th. We will be praying for snow.

Judy has purchased 200 stockings for the children's Santa Comes To Town X-Mas Party which will be held on 12/3. More details to follow and volunteers will be needed.

Mike spoke about our newest fundraiser—fruit sales. He said the info is coming so we can sell fruit for December and Christmas. The fruit sales committee is Mike, Roland, Sarah, Laraine, and Kim.

Earl asked everyone to make note the Mitten Tree will be located at Colebrook Floor Care (Sytek's) on Main Street this year. The Post Office did not feel they could give us a good location anymore. It will be going up during the last week in November.

John For reported on a special meeting he attended for past governor not going to advance in Kiwanis from his current position as international trustee on his family and personal life. Jim S brought up that a couple weeks ago John Fal forgot to mention that he asked Jim S to come up with something to keep his buns warm. "What is going on in the food shack", Jim wondered. E.H. said, "what happens on the grill, stays on the grill!" John Fal said it was Gaetane's idea.....could someone make a container to keep John's hamburger buns warm. Jim S contacted John Jacques, the tin man, and now we have a bun warmer in the food shack! Thanks to Jim S for all he sees and does—and so quietly.

Sandra suggested that Brad and Donald should give a talk on their train trip across Canada.

He will be going down for the day on Saturday 11/18—leaving about 6:30 a.m. and returning around 4 p.m. Roland suggested that if someone hasn't been yet they should take this opportunity to go and experience a district level meeting for the education and fellowship.
